Years 7 & 9 Netball v Ely

PARTICIPATION IN EXTRACURRICULAR PE

We continue to be delighted with the number of students engaging in the many extracurricular clubs and fixtures we offer at Vista. Girls football club has had between 22 and 35 attendees each week, whilst the boys football club has attracted similar numbers. Basketball continues to be popular every Tuesday, despite competing with netball club who had over 40 students in attendance this week! For a small school, these numbers are exceptional and as ever, we are keen to emphasise that active participation is what we pride ourselves on. We would like to encourage more students to give rugby club a go on Mondays, irrespective of current ability level. We have chosen to offer this club in the autumn term to generate interest and develop skills before rugby fixtures against other Isle of Ely schools commence after Christmas.. Well done to all who have shown commitment to clubs and fixtures this half term,

ANY QUESTIONS? GET IN TOUCH!
