A SHORT (YET PRODUCTIVE) HALF TERM!

Students in all years have continued to work positively in Physical Education and Sports Studies this half term.

We received really pleasing results in OCR Cambridge Nationals Sports Studies for the Year 11 controlled assessment and exam components - a large number of students have now completed the course.

The focus for core PE in Key Stage 3 this half term has been the development of skills and knowledge in handball for the boys groups, whilst the girls have enjoyed the introduction of indoor cricket to their curriculum.

Please see top left of the page for next term's activities.

Tues PM - Athletics (all years)

- Basketball (all years)

Year 11 boys challenging the girls to a dance off, showing their best moves to Just Dance! We look forward to seeing more at the prom...

YEAR 9 - GCSE OPTIONS

There have been many positive conversations with Year 9 students and parents in recent weeks regarding the OCR Cambridge Nationals Sports Studies and OCR GCSE PE courses. We will endeavour to allocate students to the most appropriate course next term and will share this information in due course.

THE MALCOLM WHALES FOUNDATION: 10 HOURS OF SPORT

The letter has now gone home to invite Year 7 and 8 students to get involved in the 10 Hours of Sport event on Friday 26 April 2024, between the hours of 7am and 5pm. Places are limited to the first 50 students. Parental permission and a donation of £20 to the Malcolm Whales Foundation is required to participate in this event - log in to ParentPay for more details.

Year 7 girls enjoying their first taste of cricket at Vista, developing their batting, bowling and fielding skills.

ONGOING GROUNDS WORK

Ramsden's Turf Care have been working hard in recent weeks to improve the playing fields. Pest control work is being carried out and the pitches have been regularly levelled, cut and marked for our home fixtures. We thank them for their continued efforts.
